Summary

Software development enthusiast with strong expertise in Java, MySQL, HTML, CSS, and JavaScript, and capable of developing responsive web applications and robust back-end systems. Committed to continuous learning and eager to leverage my academic knowledge in software development.

Technical Skills

- Back-end Development | Java (core & advance), Python (basic)
- Front-end Development | HTML, CSS, and JavaScript(core)
- Testing | JUnit, Postman, Manual Testing
- Frameworks & Technologies | Spring Boot, Hibernate
- Databases | MySQL database, Oracle database(basic)
- Development Tools & Platform | Eclipse/Spring Tool Suite, VS Code, MySQL Workbench, Git & GitHub

Projects

MusicHub : Developed a full-stack web-based music streaming application using Java, JavaScript, HTML, CSS, and MySQL, featuring user registration, secure login authentication, subscription tier management, and premium account functionalities with seamless database integration for music and user data management.

Certificate Generation System : Designed and developed an automated certificate generation system that reduces manual effort and time. Built using PHP, HTML, CSS, and SASS, the system features dynamic form-data integration with pre-designed templates, a responsive and user-friendly interface, and backend automation for generating and delivering certificates efficiently.

Internship Experience

KodNest Technologies Pvt. Ltd., Bangaluru   Jun 2023 - Feb 2024
Java and Python Full Stack Development and Testing
Built RESTful APIs and scalable database schemas using Java and Spring Boot, with additional support in frontend integration for full-stack projects.

Besant Technologies, Bangaluru   Jan 2023-Mar 2023
Software Testing Trainee
Trained in manual testing and basic automation, including test case design, bug tracking, and API testing with Postman. Gained hands-on experience in SDLC and defect repoting.

Education

APS College of Engineering, Bengaluru   Jun 2023
Bachelor of Engineering (B.E) - Computer Science | CGPA : 7.37

Techno India Group Academia, Kolkata   Mar 2019
Higher Secondary: PCMB | Percentage : 65.3

Vivekananda Hindi High School, Kolkata   Mar 2015
Secondary | Percentage : 65

Achievements & Certifications

The Complete Web Development Course 3.0 Udemy   Mar 2023

Java Programming Language   Sep 2023
